**What to do next**

Please complete the application form and return it to the address below, together with a cheque for £120 (£75 joining fee and £45 subscription) made out to Wardleys Marine Yacht Club.

The form will be displayed on the Club notice board for at least one month before consideration by the Committee. In the unlikely event that your application is not accepted your fee will be returned. Please ensure that the form is completed as fully as possible as missing information will lead to delay.

Strike out any sections that do not apply to you. If you intend to use or store a boat at the Club, it is essential that the boat insurance details are given. Without this, the application cannot be considered. Once the completed application form has been considered by the Committee you will be contacted again.
